- 640 Very Dark Beige Gray
- ▤ 3839 Medium Lavender Blue
- ▢ 928 Very Light Gray Green

A large, dense grid of small symbols, primarily circles and squares, arranged in a pattern that forms a large letter 'A'. The grid is approximately 80 columns wide and 90 rows high. The symbols are mostly white or light-colored against a dark background. The pattern is composed of several horizontal bands of symbols, with the central band forming the vertical stroke of the letter 'A'. The symbols include various shapes like circles, squares, diamonds, and crosses, all rotated at different angles.

A 100x100 grid of cells, each containing a different geometric symbol. The symbols include: plus signs (+), minus signs (-), multiplication signs (×), division signs (÷), equals signs (=), greater than signs (>), less than signs (<), squares (□), circles (○), diamonds (◇), triangles (△), and various patterns like crosses (X) and diagonal lines (\\\\). The symbols are arranged in a repeating pattern across the grid.
