- 3865 Winter White

The image shows a vertical column of a repeating geometric pattern. The pattern consists of a grid of small, colorful symbols. The symbols include triangles pointing up, down, left, and right; squares; diamonds; and crosses. These symbols are arranged in a staggered, non-overlapping manner across the entire height of the image. The colors used are primarily shades of red, orange, yellow, green, blue, and purple. The overall effect is a dense, abstract texture.
