created by lu.croce@yourvillas.com

A large grid of black '+' characters on a white background, arranged in approximately 25 rows and 100 columns.

created by lu.croce@yourvillas.com

A large grid of characters representing a 2D coordinate system. The grid consists of approximately 100 columns and 100 rows of '+' symbols, centered around the origin (0,0). The origin is marked by two open circles: one at the top right and another at the bottom left.

A large grid of black '+' and white 'o' symbols on a white background. The grid consists of approximately 100 columns and 100 rows of symbols. The symbols are arranged in a repeating pattern where each row contains a sequence of '+' followed by 'o', and each column contains a sequence of 'o' followed by '+'. This creates a visual effect of horizontal bands of '+' and vertical bands of 'o'. The symbols are small and evenly spaced.
