Instructions:

40 BIRDS OF PREY

This pattern is from the One Nighters Series from Jeanette Crews Designs, Inc. The pattern displays forty different types of birds of prey.

French Knots

Use 1 strand of Black (310) for all.

Backstitch

Use 2 strands of Black (310) for the names, dashes, feet on the Osprey, Marsh Hawk, African Sparrow Hawk, and Buzzard, Swainson's Hawk feet, and the lower beak on the Egyptian Vulture.

Use 1 strand of Black (310) for everything else in the pattern.

Model

The model was stitched on 14 count Spruce Green Aida from Zweigart. We recommend using 2 strands of floss for the full crosses and 1 strand for the backstitch, unless otherwise noted in the color key.
